STEP BY STEP

ARRIVE

1 Enter through Gate 1
Turn off Bayliss Road into Gate 1 (Truck Entry). Gate 2 is the exit only.

2 Follow the truck route at 10 km/h
Drive the one way route along the side of the warehouse to the far end of the building.

3 Wait if the area is busy
If the pickup point is busy or a truck is manoeuvring, wait in the waiting bays until clear.

4 Pull up at the PEAK pickup point
Drive under the awning to the Gate 2 end and stop by the pedestrian door next to the container dock. Do not stop in the truck bays.

AT THE PICKUP POINT

5 Check in with your order number
Switch off your engine and give the Bulk Group staff your PEAK order number. Once verified, open your tailgate, canopy or doors.

6 Stay clear while loading
Wait in your cab or the marked driver safety zone. Keep at least 3 m from the forklift and your vehicle.

7 Secure your load
Once the forklift has left, strap down your load and close up. Securing the load is your responsibility.

LEAVE

8 Exit through Gate 2
Drive forward along the driveway and exit through Gate 2 onto Bayliss Road.
